Median Household Income for 2020 Census Tracts within a 10-Mile Radius of the Sacramento Country Day School

This map contains estimates for median household income and household income distributions derived from 2020-2024 American Community Survey 5-year estimates for 2020 Census tracts intersecting a 10-mile radius centered on the Sacramento Country Day School.

Tracts were included that intersected the 10-mile radius and can be fully or partially contained within the radius. There are 305 total tracts, with 253 fully contained, and 52 partially contained, in the radius.

Note that income estimates are for the full tract and have not been adjusted for tracts with areas partially outside of the radius.

The following table contains the distribution of household income by bracket and median household income for all tracts within the 10-mile radius, weighted by population:

Income Distribution for Households within a 10-Mile Radius of Sacramento Country Day School		
Subject	**Count**	**Percent**
Universe:		
Total households	440,384	
Less than $10,000	22,314	5.1
$10,000 to $14,999	15,520	3.5
$15,000 to $24,999	25,657	5.8
$25,000 to $34,999	24,179	5.5
$35,000 to $49,999	40,540	9.2
$50,000 to $74,999	67,313	15.3
$75,000 to $99,999	58,410	13.3
$100,000 to $149,999	84,089	19.1
$150,000 to $199,999	46,885	10.6
$200,000 or more	55,477	12.6
Median household income	$89,016
