Median Household Income for 2020 Census Tracts within a 20-Mile Radius of the Sacramento Country Day School

This map contains estimates for median household income and household income distributions derived from 2020-2024 American Community Survey 5-year estimates for 2020 Census tracts intersecting a 20-mile radius centered on the Sacramento Country Day School.

Tracts were included that intersected the 20-mile radius and can be fully or partially contained within the radius. There are 462 total tracks, with 420 fully contained, and 42 partially contained, in the radius.

Note that income estimates are for the full tract and have not been adjusted for tracts with areas partially outside of the radius.

The following table contains the distribution of household income by bracket for all tracts within the 20-mile radius, weighted by population:

Income Distribution for Households within a 20-Mile Radius of Sacramento Country Day School		
Subject	**Count**	**Percent**
Universe:		
Total households	715,715	
Less than $10,000	32,742	4.6
$10,000 to $14,999	20,142	2.8
$15,000 to $24,999	35,668	5.0
$25,000 to $34,999	35,825	5.0
$35,000 to $49,999	58,137	8.1
$50,000 to $74,999	98,391	13.7
$75,000 to $99,999	90,293	12.6
$100,000 to $149,999	137,943	19.3
$150,000 to $199,999	83,317	11.6
$200,000 or more	123,256	17.2
Median household income	$102,043
